

TEXT

PIPELINE IN ACTIONS

The screenshot shows the Azure DevOps Pipelines interface for a project named 'Trung Dang / test-ci-cd'. The left sidebar contains navigation icons, with the 'Pipelines' icon (a circular arrow) highlighted by a red box and an arrow pointing to the text '1. Click here'. The main content area displays a table of pipelines. The first pipeline is 'update pipeline' by 'Trung Dang', which is in an 'In progress' status. A red arrow points from the text '2. To see in detail, click here' to the pipeline name. Another red arrow points from the text 'Current status' to the 'In progress' status. The table has columns for Pipeline, Status, Started, and Duration.
